1. Approval of Minutes  
13 May Meeting  
(IAC-M-341)

Approved as written.

2. Situation Review

- a. Watch Committee Report  
No. 406

Noted.

- b. Review of Sensitive Situations

The Chairman stated that the Watch Committee was following the Tunisian situation closely and discussed recent developments in that area with the members. He noted that he did not expect to call a special session of the Watch Committee to review this situation prior to the regularly scheduled meeting of that committee unless instructed to do so by the IAC.

The Chairman and Mr. Arneson commented on developments in Lebanon, particularly from the standpoint of evidence of infiltration from Syria, disposition of armed forces in the area, the effect of the economic situation and the possible attitude of Israel. General Wienecke raised a question about Jordan and the Chairman and Mr. Arneson discussed certain aspects of this situation, especially matters bearing on the strength and cohesion of the Arab Union in relation to that of the UAR.

Reference was made to the situation in Indonesia. The Chairman, General Wienecke and Mr. Arneson also commented on developments in Latin America, particularly with respect to Panama and Guatemala.

3. Information Report to IAC  
on the Defector Program  
(IAC-D-8/42, 14 May)

SECRETARY'S NOTE

Effective date of NSCIDs and DCIDs. In his memoranda transmitting copies of the new NSCIDs Nos. 1 through 5, as concurred in by the NSC and approved by the President, the Executive Secretary, NSC, indicated that the effective date of these NSCIDs should be considered as 21 April 1958. Consequently, the IAC agencies should regard 21 April rather than 1 April, which had originally been agreed to among the members of the IAC (IAC-M-333, item 3 b), as the effective date for these NSCIDs. Moreover, since new DCIDs can only derive their authority from legally effective NSCIDs, those DCIDs approved by the IAC prior to 21 April 1958 will be considered effective as of 21 April, rather than as of any earlier date on which they received IAC approval.
